MEMORANDUM FOR: AD/TRC

SUBJECT: Delineation of Overt and Covert BOC Lectures

1. In accordance with your request, the BOC program is attached with indications of subjects which could be taught by overt instructors. In considering the possibility of utilizing overt instructors in connection with the BOC, it is assumed that:

- a. Overt instructors would be fully cleared.
- b. Existing standards of instruction would be maintained.
- c. Overt instructors would be consistently available for scheduled periods, and no schedule adjustments would be necessary to meet their outside commitments.
- d. Liaison with non-CIA activities in connection with TRC's training program would be prohibited for these overt instructors.
- e. Overt instructors would adhere explicitly to existing instructor outlines in order to insure conformance with approved doctrine, continuity with related material in advanced courses and applicability of existing tests.
- f. Coordination and discussion among TRC instructors and overt instructors would be limited to non-sensitive topics.
- g. Adequate security controls would be imposed by TMS on sensitive material should it become necessary for them to assist overt instructors in the accumulation of data related to subjects for which they are responsible.
- h. Participation by overt instructors in the BOC would be discontinued upon transfer of the BOC from Washington to [REDACTED].
